PREFATORY NOTE BY HIS EXCELLENCY THE PRESIDENT.

In issuing the 6th Report of the Bombay Branch of the Imperial Indian Relief Fund, the Honorary Secretaries have placed before the public a record of useful, helpful and unostentatious service in giving relief and assistance to many during the progress of the war.

As Chairman of the Administrative Committee, it is my privilege on behalf of its members to give our grateful thanks to all our generous subscribers who have continued to support the fund from all parts of the Presidency during the past year, and to express complete confidence that there will be no slackening in this, to many the only means of helping our common cause.

To the Officers Commanding, nurses and all the staff of the hospitals which are our particular care we would wish to express our warm appreciation of the cheerful and efficient manner in which they have all fulfilled their arduous duties.

To our Hospital Sub-Committee and our Executive Officers we would also express our thanks for their voluntary help freely given towards securing the thorough and satisfactory administration of our fund.

Let me in conclusion urge our many subscribers to remember that, with the increase of the number of troops in this theatre of the war, and owing to the prolongation of this tremendous struggle, ample funds will be necessary during the coming year. I am confident that I can rely on a continuance of the generous support which we have hitherto received, and that there will be no slackening in any part of our Presidency in the determination of every one to supply full and sufficient funds for the prosecution of our work.

General Notes.

During the year the accommodation of the Lady Hardinge War Hospital was extended by 100 beds which are capable of being utilised either for British or Indian sick as required. The Bombay Presidency General Hospital at Alexandria was closed and withdrawn to Bombay early in April as it was no longer required in Egypt owing to the termination of military operations in the Dardanelles. On arrival in Bombay the personnel was disbanded and the entire equipment, excepting the X-Ray apparatus and 3 Motor Ambulances, was handed over on loan to the Military authorities by whom it has been utilised towards equipping the Victoria War Hospital in Bombay.

A new General Hospital of 500 beds, named the Gerard Freeman-Thomas War Hospital in memory of the late Lieutenant the Hon'ble Gerard Freeman-Thomas, elder son of Their Excellencies the Governor and Lady Willingdon, was opened on the 13th April and located, by permission, in the Royal Institute of Science Buildings, Mayo Road, Bombay. It was originally intended for the accommodation of Indian sick and wounded, but, this not being found necessary, it was set apart solely for British non-commissioned officers and men. It was at first administered by the Hospitals Sub-Committee on the lines of the Lady Hardinge Hospital. Later on, however, as the Military authorities pointed out the necessity of strict uniformity in the administration of British Hospital units, the administration was handed over to them, the functions of the Hospitals Sub-Committee being limited to those of Audit. Then in

July the General Officer Commanding, Bombay Brigade, applied to the Committee to extend the accommodation by 100 beds. This the Committee agreed to do on condition that General Knight should approach Government in the Military Department to undertake in future the up-keep of the Hospital, thus fully equipped and extended, all appliances and equipment remaining the property of the Fund and to be returned when no longer required by the Committee. Government agreed to this and took over the up-keep with effect from the 1st of August. A Hospital of about 30 beds for sick and wounded officers was opened in the Byculla Club, a large portion of which, including the Club service and other amenities, was kindly placed at the disposal of the Committee, on very generous terms, by the President and Members of the Club.

The Government of India have undertaken to defray the charges of dieting and medical stores in the Hospitals maintained by the Fund. Up to the 31st December 1915 the Fund bore the cost of dieting in the Lady Hardinge War Hospital and of medical stores in the Bombay Presidency General Hospital at Alexandria. The Government of India have, however, refunded a sum of Rs. 23,352, in respect of the dieting charges of the former and have under consideration the question of refunding the amount expended on medical stores in the latter hospital.

By special arrangements all patients in our hospitals are exempted from the payment of postage upon letters.

We briefly summarise below statistical and particular details regarding each hospital for the year.

The Lady Hardinge War Hospital, Bombay.

There were 5,573 admissions during the year, making a grand total of 8,438 from the date of opening up to the 31st December 1916. The Hospital remained under the command of Lieut.-Colonel J. G. Hojel, I.M.S. As stated above an extension of this hospital has been effected which, though now being used for Indian sick and wounded, is also suitable for the accommodation of British troops if required.

The Bombay Presidency General Hospital, Alexandria.

From the 1st January to the date of closing 1,017 patients were treated, making a grand total of 5,567 admissions, including sick Hospital personnel, since the opening. Lieut.-Colonel J. B. Smith, I.M.S., remained in command and brought the hospital back to Bombay. A copy of an appreciatory letter of the help rendered by this unit from General J. G. Maxwell, Commanding the Forces in Egypt, is printed as an accompaniment to the half-yearly report appended to this report.

The Byculla Club Hospital.

There were 460 Officers treated in this hospital during the year under the superintendence of Surgeon Major S. A. Powell and Dr. J. H. Walsh who very kindly placed their services at the disposal of the Committee in an honorary capacity.

The Gerard Freeman-Thomas War Hospital.

During the year there were 4,294 admissions into this hospital. As stated above Government in the Military Department have taken over the up-keep thereof, at their own charges, the Committee having adapted and equipped the building to accommodate 600 cases and being liable for such future capital cost on equipment as may from time to time be approved by the Hospitals Sub-Committee.

Summary of Expenditure upon Hospitals.

The Hospital Sub-Committee had a balance of Rs. 9,328-5-2 on the 1st January 1916 and sums amounting to Rs. 7,50,000 were placed at their disposal during the year. Deducting the recoveries made from Government on account of charges for which they are responsible, the net expenditure on the different hospitals was Rs. 7,38,739 as shown below :—

	Rs.
Lady Hardinge Hospital	75,297
Gerard Freeman-Thomas Hospital	2,50,627
Officer's Hospital, Byculla Club	24,227

	Rs.
Bombay Presidency General Hospital, Alexandria	30,365
Motor Ambulances	20,844
Works on extension of Lady Hardinge Hospital	1,01,323
,, Gerard Freeman-Thomas Hospital	2,30,636
Works on Officers' Hospital, Byculla Club	3,923
Office Establishment and Miscellaneous	1,497
Total .. Rs.	7,38,739

At the close of the year the Committee had a balance of Rs. 20,589-4-6.

The total expenditure incurred by the Fund on the Hospitals during the period ending 31st December last was as follows :—

	Rs.
Lady Hardinge Hospital	1,70,765
Gerard Freeman-Thomas Hospital	2,50,627
Officers' Hospital, Byculla Club	24,227
Bombay Presidency General Hospital, Alexandria	4,06,921
Works on Hospitals	3,76,997
Ambulances	42,371
Office Establishment and Miscellaneous	2,502
Total ..	12,74,410

A sum of Rs. 1,16,815 has yet to be recovered from Government.

Motor Ambulances and Cars.

We append a list, with particulars, of the Motor Cars and Ambulances belonging to the Fund in use in Bombay, showing an increase of five over and above the list published with the last annual report. One of these five was presented by Sir Sassoon David, Bart., one by Mr. Bhagirath Ramchandra of Dhamangaon in the Jalgaon Taluka and the remaining three were returned from Alexandria on the closing of the Bombay Presidency General Hospital there. The Committee also lent five cars and one Ambulance purchased by them for the use of the sick and wounded in Poona and the nursing sisters in the Deccan British War Hospital there, two cars for the use of the sick and wounded in Belgaum and one for that of those in Deolali. This shows an increase of six motor vehicles over and above those shown as lent to out-stations in the half-yearly report appended.

Summary.

It will thus be seen that the total expenditure up to 31st December 1916 was Rs. 20,89,149-6-5, leaving a balance out of the total revenue up to that date of Rs. 29,14,870-12-3. Out of this Rs. 15,00,000 has been promised to His Excellency the Viceroy's Central Fund. The available balance to meet recurring hospital charges, relief and other charges, grants to the Young Men's Christian Association, the Salvation Army and other bodies for work in the field and elsewhere and grants to Women's Branches and other Funds is thus approximately only 14 lacs. It is therefore probable that a further appeal for support may have to be made in order to ensure a continued fulfilment of the objects for which the Fund was organized.

We have the honour, Your Excellency and
Gentlemen, to be

The Sub-Committee appointed Brig.-General W. Knight as Chairman in his stead.

General Notes.

As stated in our Annual Report for 1915, it was decided towards the end of that year to increase the Lady Hardinge War Hospital by 100 beds, to open another hospital of 500 beds in Bombay, to establish a separate Hospital of about 30 beds for sick and wounded Officers in Bombay and to retain the Bombay Presidency General Hospital at Alexandria for a further period of six months. The extension of the Lady Hardinge War Hospital has been completed and the extra accommodation is capable of being utilised for the accommodation of either British or Indian sick as required. The new hospital of 500 beds, named the Gerard Freeman Thomas War Hospital in memory of the late Lieutenant the Hon'ble Gerard Freeman Thomas, eldest son of Their Excellencies the Governor and Lady Willingdon, is located in the Royal Institute of Science Buildings and was opened on the 13th April 1916. It was originally intended for the accommodation of Indian sick and wounded, but, this not being found necessary, it has been set apart solely for British Non-Commissioned Officers and men. The hospital for sick and wounded Officers is located in the Byculla Club, a large portion of which, including the Club service and other amenities, was kindly placed at the disposal of the Committee on very generous terms by the President and Members of the Club. The Bombay Presidency General Hospital at Alexandria was closed and withdrawn to Bombay early in April as it was no longer required in Egypt owing to the termination of military operations in the Dardanelles. On arrival in Bombay the *personnel* was disbanded, and the entire equipment excepting the X-ray apparatus and 3 Motor Ambulances, was handed over on loan to the Military Authorities by whom it has been utilized towards equipping the Victoria War Hospital in Bombay. Thus on 30th June there were three War Hospitals maintained by the Fund in respect of all charges excepting dieting and the supply of medical stores for which the Government of India have undertaken the responsibility. Up to December 31st the Fund bore the cost of dieting in the Lady Hardinge War Hospital and of medical stores in the Bombay Presidency General Hospital, Alexandria. The Government of India have, however, refunded a sum of Rs. 23,352 to the Fund in respect of the dieting charges of the Lady Hardinge War Hospital and have under consideration the question of refunding the amount expended on medical stores in the Bombay Presidency General Hospital, Alexandria. By special arrangement the Government of India have exempted all patients in the Hospitals maintained by the Fund from payment of postage on their letters. We briefly summarise below statistical and particular details regarding each of our hospitals for the period under report.

The Lady Hardinge War Hospital, Bombay.

There were 2,729 admissions during the half-year, making a grand total of 5,594 from the date of opening up to 30th June 1916. The Hospital remained under the command of Lt.-Col. J. G. Hojel, I.M.S. As stated above an extension of this Hospital has been effected which though being now utilised for Indian sick and wounded is also suitable for the accommodation of British Troops if required.

The Bombay Presidency General Hospital, Alexandria.

One thousand and seventeen patients were treated from 1st January 1916 to the date of closing, making a grand total of 5,549 admissions since the opening. Lt.-Col. J. B. Smith, I.M.S., remained in command and brought the hospital back to Bombay. A copy of an appreciatory letter of the help rendered by this hospital from General J. G. Maxwell, Commanding the Forces in Egypt, to His Excellency the Governor of Bombay, is appended to this report.

The Byculla Club Hospital.

One hundred and ninety-one Officers were treated in this hospital under the superintendence of Surgeon-Major S. A. Powell and Dr. J. H. Walsh who very kindly placed their services at the disposal of the Committee in an honorary capacity.

The Gerard-Freeman Thomas War Hospital.

There were in all 1,787 admissions during the half-year. To Lt.-Col. J. G. Hojel, I.M.S., was entrusted the organisation and equipment and he was given the first command in addition to his duties in connection with the Lady Hardinge War Hospital, having been temporarily relieved of his civil duties by Government. Later on, however, he was relieved of the Command as the Military Authorities pointed out the necessity of strict uniformity in the administration of the War Hospitals reserved for British Troops, and the hospital is now under the administration of the Military Authorities, the functions of the Hospitals Sub-Committee in relation thereto being limited to those of audit.

Motor Ambulance.

We append a list, with particulars, of the Motor Ambulances belonging to the Fund in use in Bombay, showing an increase of five over and above the list published in our last report. One of these five was presented by Sir Sassoon David, Bart., one by Mr. Bhagirath Ramchandra of Dhamangaon in the Jalgaon Taluka and the remaining three were returned from Alexandria on the closing of the Bombay Presidency General Hospital there. The Committee also lent a Motor Ambulance costing Rs. 5,000 for the use of sick and wounded in Poona and two cars at a cost of Rs. 7,000 for that of Belgaum.

Summary.

It will thus be seen that the total expenditure up to 30th June was Rs. 15,45,770-3-10, leaving a balance out of the total revenue up to that date of Rs. 32,71,044-9-3. Out of this Rs. 15,00,000 has been promised to His Excellency the Viceroy's Central Fund and approximately Rs. 2,00,000 is required for recurring expenditure on local relief and monthly grants to the Young Men's Christian Association, Salvation Army and other bodies for their work among British and Indian forces in the Field. The available balance to meet recurring hospital and other charges and future grants to the Women's Branch and other bodies is thus only approximately fifteen lakhs. It is therefore probable that a further appeal for support may have to be made in order to ensure a satisfactory continuance of the work which has so far been vigorously and successfully carried on by the Committee.

13, ESPLANADE ROAD,
BOMBAY, *July 13th*, 1916.

Letter from the General Officer Commanding the Forces in Egypt.

ARMY HEADQUARTERS,

CAIRO, *19th March*, 1916.

To

HIS EXCELLENCY THE GOVERNOR OF BOMBAY.

YOUR EXCELLENCY,

I cannot let the Bombay Presidency General Hospital return to India without expressing our grateful thanks for the services of this excellent unit.

On the 18th January 1915 this Hospital with 500 beds arrived in Alexandria. On 26th February the first patients, 57 Indians from Overseas, were admitted. On 9th March the hospital was temporarily converted for Europeans and utilized for the reception of Australian patients. On 23rd March the Hospital was temporarily lent to the French Military Auhorities and remained a French Hospital from that date until 27th August 1915, when it again became British.

In March it was expanded by 100 beds and in July by 200 more, but as a matter of fact, the number of beds was 875.

During the period the Hospital was open it has from time to time received Indian patients from Overseas and those operating in Egyptian Territory.

From the opening of the Hospital until March 10th, 1916, the following patients were admitted :—

Indians	1,410
British	1,836
Australian	498
New Zealanders	75
French	1,641
Russians	3
	5,463

The average number per day was 411 and the largest number on any one day 873. The largest number admitted on any one day was 362 (25th August 1915).

The above constitutes an Imperial record which the Presidency may well be proud of, and I will be obliged if you will kindly convey this letter with our thanks to the Committee for their patriotism in allowing a Hospital destined for Indian patients to be used so freely for Imperial purposes.

I have the honour to be,

Your Excellency's obedient servant,

(Sd.) J. G. MAXWELL,

Commanding the Forces in Egypt.
